The screenshot displays the PBWORKS web interface. At the top, there's a search bar with the text 'during' and navigation links 'Previous', 'Next', and 'Options'. Below this, the 'Southern Plains Wiki' header is visible, along with a 'Get your own free workspace' button and a 'log in help' link. The main navigation bar includes 'Wiki' and 'Pages & Files' tabs, with a 'Search this workspace' input field. On the left sidebar, under 'Pages & Files', there are links for 'All Pages', 'All Files', and 'Unfiled Items'. Below these, a 'FOLDERS' section lists 'Data Collection Tools' (0 items), 'IEP Pages' (5 items), and 'Special Ed Update Mee...' (3 items). The main content area shows a folder named 'A_Page 1' with sub-headers 'Delete', 'Move', 'Rename folder', and 'Delete folder'. A table lists the contents of this folder:
